

London South East Children's University January 2025 Challenges

Welcome to 2025!!!

This month's challenge is all about reminding you of the activities and reviews that you can complete at any time, so do take a look and earn yourself some stamps! For reviews sent to Louise in January 2025 **only**, for every review you write, you'll also receive double stamps as you'll receive one for writing the review and one for completing the challenge! Woop woop!

You can find all of the templates for these challenges via this link to our Google Drive:

You can choose to complete as many of these challenges as you wish – simply email your evidence (a photo is absolutely fine!) to Kate at BexleyCU@LSEAT.org.uk and she will send you your stamp code!

Write a book review

We love hearing about the books you are reading so for this challenge we would like you write a book review – this can be a review of your favourite book or a book you've recently read – the choice is yours!

Did you know you can earn up to 5hrs of stamps each academic year by completing up to 5 book reviews

Write a film or theatre review

Whilst we can't give you a stamp for watching a film or going to the theatre, we can give you a stamp for writing a review about it!

We can't wait to hear about something you've watched recently!

Write a cultural experience review

We have so many opportunities to learn about and celebrate different cultural experiences, from both our own families and others. These experiences might include celebrations, ceremonies and festivals, music concerts, dance shows and even traditional food cooking and creative activities such as pottery.

Did you know you can earn up to 20hrs of stamps each academic year by completing up to 20 reviews for different cultural experiences!

Write a museum review

Living so close to London and all the amazing free museums such as the Natural History Museum, the Science Museum and the V&A Museum, writing a review of a museum is a great way of earning a stamp where it's not possible to validate a museum (as they have such high footfall, they wouldn't be able to stamp all the passports!). Don't forget, we also have museums local to us, such as The Red House and Hall Place.
