May 2025 Challenges

The Friends of Footh Cray Meadows – one of our Learning Destinations – are hosting a Fun Dog Show on Saturday 7th June, so all of the challenges this month are linked to dogs! We would love you to come along on the day, so we have also added the poster for the event to this challenge.

If you have a dog, why not enter some of the categories?

You can choose to complete as many of these challenges as you wish – simply email your evidence (a photo is absolutely fine!) to Kate at BexleyCU@LSEAT.org.uk and she will send you your stamp code!

Happy and healthy dogs

Bringing a pet into a home is a big responsibility and it is important that the owners know how to help the pet be happy and healthy in their care.

For this challenge, we would like you to create a poster sharing at least 5 different ways of helping to keep dogs happy and healthy.

A shopping list for a new dog

For this challenge, we would like you to imagine that you have never had a pet before and you were about to bring a dog into your home. What things would you need before you could bring the dog home?

Think about where they will sleep? What would they eat?

Make a shopping list and add the prices next to each item to show how much it would cost!

Make a dog toy

For this challenge, we would like you to make a dog toy. This could be for your own dog or perhaps you could make one to donate to a dog centre (or even a dog at the Dog Show!

Here are some ideas, but you can create whatever you would like!

PDSA Activity Pack

The PDSA have also created a fabulous activity pack, filled with lots of activities. You will need to ask an adult to fill in the details and download the pack, but then you will get a 1 hr stamp for every 2 activities you complete!
