

London South East Children's University September 2025 Challenges

With the Women's Rugby World Cup 2025 taking place, the challenges this month link to this special event! The final is taking place on Saturday 27th September 2025 so there is plenty of time to get involved with this sporting event!

You can choose to complete as many of these challenges as you wish – simply email your evidence (a photo is absolutely fine!) to Kate at BexleyCU@LSEAT.org.uk and she will send you your stamp code!

Design a Rugby World Cup trophy

For this challenge, I would like you to design a trophy for the winners of the Rugby World Cup! You can either draw/paint this in 2D or you could even get really creative and create it in 3D!

Design a Rugby World Cup “home” and “away” kit

For this challenge, I would like you to design a “home” and an “away” kit for a team/country of your choice. You can even choose a country who haven't qualified for the tournament if you would like!

Hint: you might want to consider the colours in the country's flag.

Create a profile of your favourite player

With so many countries taking part in the Women's Rugby World Cup, there are lots of different players. For this challenge, I would like you to create a player profile for one of the players (from any country). The profile should include their name, position in the team, date of birth, club, height and a photograph or drawing of the player.

Attend a taster rugby session

For this activity, I would like you to take part in a taster rugby sessions. We have a number of Learning Destinations who offer all kinds of rugby, including Tag Rugby and T.I. This includes Dartfordians RFC and Sidcup RFC along with other Learning Destinations such as Dynamic Coaching, GT Centre of Sport, Sport Confidence UK, Crook Log Leisure Centre, Zambezi Sports School and Kinetic Kids Academy.
