

Bexley Children's University October 2026 Challenge

Hello. My name is Kate and I am the new Bexley Children's University Officer! I am looking forward to meeting you all and cannot wait to see all the exciting activities you get up to over the year.

You can choose to complete as many of these challenges as you wish – simply email your evidence (a photo is fine!) with me at BexleyCU@LSEAT.org.uk and I will send you your stamp code! I hope you enjoy the challenge.

International Music Day 1st October 2026

This day is dedicated to promoting the art of music and fostering international understanding through music.

My favourite artist is.....

For this challenge we would like you to design a poster of your favourite singer or band. You might want to include their song titles or some interesting facts about them. You may just want to do a drawing or painting of them.

Learn and perform a song!

For this challenge, we would like you to learn a favourite song or rhyme and perform it to your friends or family. Perhaps use your recycled instrument to accompany the song!

Instrument making

The 20th of October is National Reuse Day.

For this challenge, we would like you to make your very own instrument using recycled materials and materials collected from your outdoor environment. You could use old cardboard tubes of varying lengths and arrange them in a row to create a xylophone or stretch rubber bands over a shoebox to make a simple string instrument.

Your Top 10

For this challenge, we would like you to create your very own playlist.

Choose your top ten songs or rhymes and list them in order from 1 to 10.

Let me know which is your favourite and why.
